

Last information update: June 2021

Product configuration: 7116+L191
7116: 60W A60 23W TC-TSE

Product code

7116: 60W A60 23W TC-TSE **Attention! Code no longer in production**

Technical description

Surfaced-mounted luminaire for external residential areas using 60W A60 -23W TC-TSE. lamps. The fitting includes a printed glass screen, a polycarbonate support with an aluminium sheet flow director, an external frame in die-cast aluminium and stainless steel screws. The EPDM sealing gasket is located between the screen and the support to guarantee the IP54 degree of protection. Provided with membrane cabling sheath for power supply.

Installation

Fixed to the wall with fischer screws.

Colour

White (01) | Black (04) | Grey / Black (74)

Weight (Kg)

1.08

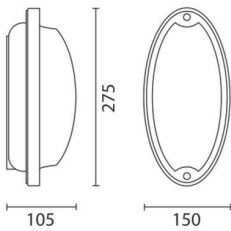

Mounting

wall surface

Wiring

Power supply by means of 2-pole terminal block. E27 ceramic lampholder.

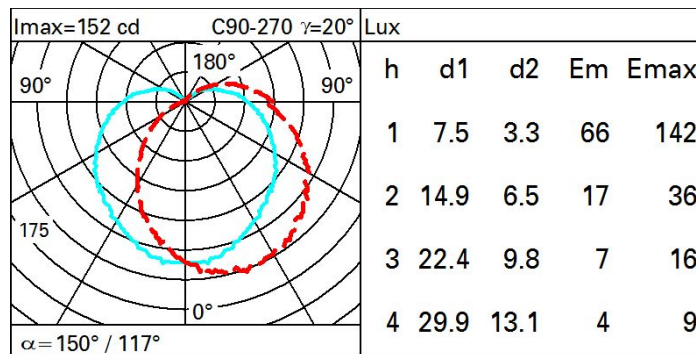

Complies with EN60598-1 and pertinent regulations
