## Accessory code

PD92: Constant current power supply unit non dimmable IP20 20W - Vin = 220-240 Vac 50/60 Hz - I out = 450 mA

## Technical description

Constant current non-dimmable electronic power supply I=450 mA 20 W for recessed Wall washer Laser Ø96 mm luminaires.

Input Vin=220÷240 Vac 50÷60Hz.

SELV output.

The product features include common mode and differential mode overvoltage protection, short circuit protection, overcurrent and overtemperature protection.

## Installation

Compatible with the insertion drillhole for recessed Laser Ø96 mm luminaires. Fitted with slots for fastening with screws, if required.

## Colour

Indeterminate (00)

## Weight (Kg)

0.14

## Dimension (mm) (\*)

156x43x30

\* The dimensions may change according to production requirements to ensure that performance levels and installation methods are observed.

## Wiring

The power supply is fitted with a cable and rapid connector to make the connection to the casing easier. Input and output terminals on opposite sides (cable cross-section up to 1.5 mm<sup>2</sup>). Cable clamp on primary and secondary.

## Notes

SELV

Complies with EN60598-1 and pertinent regulations

IP20

## Technical data

Frequency [Hz]: 50/60

Current out [mA]: 450

Inrush current: 18 A / 250 µs

Overvoltage protection: 2kV Common mode & 1kV Differential mode
