

Last information update: November 2024

**Product configuration: Q370+QH89.12**

Q370: Minimal initial moduleGeneral Up/Down LightL 3594

QH89.12: Plate - Up / Down - General Light - ON-OFF - Neutral LED - L 3588 - 151.9W 16048lm - 4000K - Aluminium

**Product code**

Q370: Minimal initial moduleGeneral Up/Down LightL 3594

**Technical description**

Initial profile in extruded aluminium - Minimal (frameless) version for flush with ceiling mounting and up-down emission; methacrylate opal lower screen (diffused general light); screen set up for connecting several lengths by overlapping. Methacrylate diffusing screen for upper emission. Light flow split into approx. 70% down / 30% up.

**Installation**

Installation can be pendant-mounted using suitable accessories to be ordered separately. The initial modules can be used individually for various applications if completed with accessory caps and the required LED module.

**Colour**

White (01) | Aluminium (12)

**Weight (Kg)**

8.5

**Mounting**

wall surface|ceiling pendant

**Wiring**

Set up to house the up-down LED modules required by the system.

**Notes**

Take care with the system configuration. To make continuous lines of lighting, use the intermediate modules. To complete a continuous line correctly there must always be an initial module at the start or end of the composition.

Complies with EN60598-1 and pertinent regulations

**Product code**

QH89.12: Plate - Up / Down - General Light - ON-OFF - Neutral LED - L 3588 - 151.9W 16048lm - 4000K - Aluminium **Attention!**

**Code no longer in production**

**Technical description**

LED module set up for housing in initial or intermediate system profiles, ideal for particularly long light lines. Up + down emission for General Light profiles (with lower opal diffuser screen). Electronic control gear integrated in the luminaire. Extruded aluminium heat sink; high emission yield flux enhancer. Neutral 4000K LED

**Installation**

Module insertion on profiles facilitated by a quick coupling system.

**Colour**

Indeterminate (00) | White (01)

**Weight (Kg)**

4.9

**Wiring**

Quick coupling terminal block connection to simplify connections between the subsequent modules. Complete with integrated ON-OFF - non-dimmable control gear.

**Notes**

Important: the triple length intermediate luminous module can be used for both initial profiles - L 3594 - for stand-alone applications, and intermediate profiles - L 3594 - for continuous line applications.

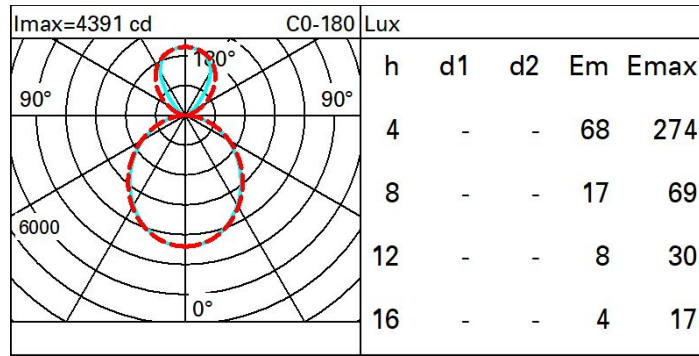

Complies with EN60598-1 and pertinent regulations
