

Low voltage track

Last information update: December 2024

Product code
Q616: Surface 48V (16A) track - L 2000

Technical description
48V (16A) low voltage track for ceiling, wall and pendant installations. Designed to house lighting elements fitted with a 48V (16A) adaptor. Made of painted extruded aluminium. The integrated circuit, designed to interact with the DC/DC driver included in the adaptors, allows the lighting elements inserted in the track to be programmed individually. To obtain continuous lines, direct and corner joints are available with separate codes. Accessory installation systems with separate codes. Sealing sheath available for positioning flush with the track opening.

Installation
Ceiling, wall or pendant mounted. A special attachment cable for wall-mounting applications allows pictures, panels and shelves to be supported.

Colour	Weight (Kg)
White (01) Black (04)	0.94

Mounting
wall surface|ceiling surface|ceiling pendant

Wiring
The DALI converter, designed for remote installation, is available with a separate code. For maximum load details and cabling procedures see the instruction sheet.

Complies with EN60598-1 and pertinent regulations
