

Last information update: May 2025

Product configuration: QB95+QB69.01

QB95: Down plate - DALI - Working UGR < 19 - LED Neutral - L 3588

QB69.01: Module for continuous line - Frame Down - UGR < 19 / Office / Working - L 3596 - White

Product code

QB95: Down plate - DALI - Working UGR < 19 - LED Neutral - L 3588 **Attention! Code no longer in production**

Technical description

LED module set up for housing in intermediate system profiles, ideal for particularly long light lines. High efficiency down emission for Working profiles (with a controlled luminance micro-prismatic screen). DALI dimmable control gear integrated in the luminaire. Extruded aluminium heat sink; high emission yield flux enhancer. Neutral 4000K LED

Installation

Module insertion on profiles facilitated by a quick coupling system.

Colour

Indeterminate (00)

Weight (Kg)

3.8

Wiring

Quick coupling terminal block connection to simplify connections between the subsequent modules. Complete with integrated dimmable digital DALI control gear.

Notes

Important: the triple length intermediate luminous module can be used for both initial profiles - L 3594 - for stand-alone applications, and intermediate profiles - L 3594 - for continuous line applications.

Complies with EN60598-1 and pertinent regulations

Product code

QB69.01: Module for continuous line - Frame Down - UGR < 19 / Office / Working - L 3596 - White **Attention! Code no longer in production**

Technical description

Extruded aluminium intermediate profile - Frame version with contact frame; this allows continuous lines to be created with other intermediate profiles and an initial profile (required). Microprismatic PMMA screen for controlled luminance emission UGR < 19 - 3000 cd/m² (working lighting); screen set up for connecting several lengths by overlapping.

Installation

Recessed using the brackets on the profile; the mechanical systems for connecting the modules are included in the package.

Colour

White (01)

Weight (Kg)

7.4

Mounting

ceiling recessed

Wiring

Set up exclusively to house L 3588 triple-length LED modules.

Notes

Take care with the system configuration. To make continuous lines of lighting, use the intermediate modules. To complete a continuous line correctly there must always be an initial module at the start or end of the composition. TPb rated. TPa version available on request, contact iGuzzini for more info

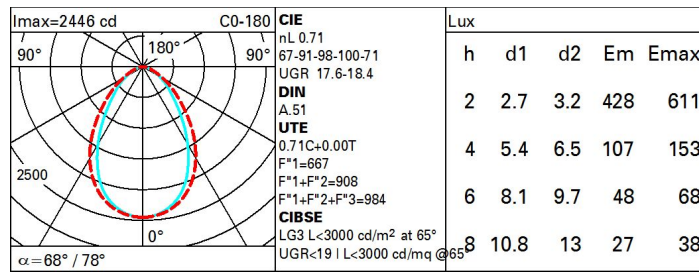

Complies with EN60598-1 and pertinent regulations
