

Last information update: May 2025

Product configuration: QC03+QZ88.01

QC03: Down plate - DALI - Working UGR < 19 - LED Warm - L 3588

QZ88.01: Initial module - Minimal Down - UGR < 19 / Office / Working - L 3596 - TP(a) - White

Product code

QC03: Down plate - DALI - Working UGR < 19 - LED Warm - L 3588 **Attention! Code no longer in production**

Technical description

LED module set up for housing in intermediate system profiles, ideal for particularly long light lines. High efficiency down emission for Working profiles (with a controlled luminance micro-prismatic screen). DALI dimmable control gear integrated in the luminaire. Extruded aluminium heat sink; high emission yield flux enhancer. Warm 3000K LED

Installation

Module insertion on profiles facilitated by a quick coupling system.

Colour

Indeterminate (00)

Weight (Kg)

3.8

Wiring

Quick coupling terminal block connection to simplify connections between the subsequent modules. Complete with integrated dimmable digital DALI control gear.

Notes

Important: the triple length intermediate luminous module can be used for both initial profiles - L 3594 - for stand-alone applications, and intermediate profiles - L 3594 - for continuous line applications.

Complies with EN60598-1 and pertinent regulations

Product code

QZ88.01: Initial module - Minimal Down - UGR < 19 / Office / Working - L 3596 - TP(a) - White **Attention! Code no longer in production**

Technical description

Initial profile in extruded aluminium - Minimal (frameless) version for flush with ceiling installation; polycarbonate screen for controlled luminance emission UGR < 19 - 3000 cd/m2 (working lighting) in compliance with the TP(a) standard; screen set up for connecting different lengths by overlapping.

Installation

Installation can be recessed, surface, ceiling and pendant-mounted using suitable accessories to be ordered separately. The initial modules can be used individually for various applications if completed with accessory caps and the required LED module L 3588.

Colour

White (01)

Weight (Kg)

7

Mounting

ceiling recessed|ceiling surface|ceiling pendant

Wiring

Set up exclusively to house L 3588 triple-length LED modules.

Notes

Take care with the system configuration. To make continuous lines of lighting, use the intermediate modules. To complete a continuous line correctly there must always be an initial module at the start or end of the composition.

Complies with EN60598-1 and pertinent regulations

Technical data

lm system: 3380

W system: 27

lm source: 5200

W source: 27

Luminous efficiency (lm/W, real value): 125.2

lm in emergency mode: -

Total light flux at or above an angle of 90° [Lm]: 0

Light Output Ratio (L.O.R.) [%]: 65

CRI (minimum): 80

Colour temperature [K]: 3000

MacAdam Step: 3

Lamp code: LED

Number of lamps for optical assembly: 1

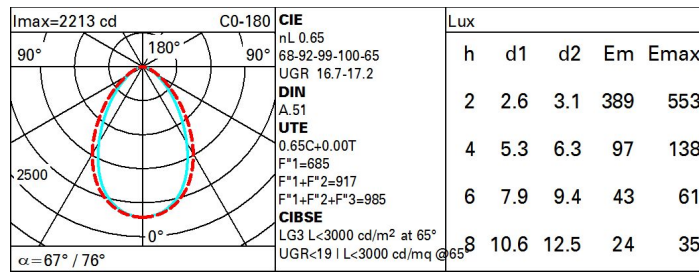

ZVEI Code: LED

Number of optical assemblies: 1

Control: DALI-2
