

Last information update: May 2025

**Product configuration: QC03+QB67.01**

QC03: Down plate - DALI - Working UGR < 19 - LED Warm - L 3588

QB67.01: Initial module - Frame Down - UGR < 19 / Office / Working - L 3596 - White

**Product code**

QC03: Down plate - DALI - Working UGR < 19 - LED Warm - L 3588 **Attention! Code no longer in production**

**Technical description**

LED module set up for housing in intermediate system profiles, ideal for particularly long light lines. High efficiency down emission for Working profiles (with a controlled luminance micro-prismatic screen). DALI dimmable control gear integrated in the luminaire. Extruded aluminium heat sink; high emission yield flux enhancer. Warm 3000K LED

**Installation**

Module insertion on profiles facilitated by a quick coupling system.

**Colour**

Indeterminate (00)

**Weight (Kg)**

3.8

**Wiring**

Quick coupling terminal block connection to simplify connections between the subsequent modules. Complete with integrated dimmable digital DALI control gear.

**Notes**

Important: the triple length intermediate luminous module can be used for both initial profiles - L 3594 - for stand-alone applications, and intermediate profiles - L 3594 - for continuous line applications.

Complies with EN60598-1 and pertinent regulations

**Product code**

QB67.01: Initial module - Frame Down - UGR < 19 / Office / Working - L 3596 - White **Attention! Code no longer in production**

**Technical description**

Initial profile in extruded aluminium - Frame version with contact frame; micro-prismatic PMMA screen for controlled luminance emission UGR < 19 - 3000 cd/m2 (working lighting); screen set up for connecting several lengths by overlapping.

**Installation**

Recessed using the brackets on the profile. The initial modules can be used individually if completed with accessory caps and the required LED module - L 3588.

**Colour**

White (01)

**Weight (Kg)**

7.4

**Mounting**

ceiling recessed

**Wiring**

Set up exclusively to house L 3588 triple-length LED modules.

**Notes**

Take care with the system configuration. To make continuous lines of lighting, use the intermediate modules. To complete a continuous line correctly there must always be an initial module at the start or end of the composition. TPb rated. TPa version available on request, contact iGuzzini for more info

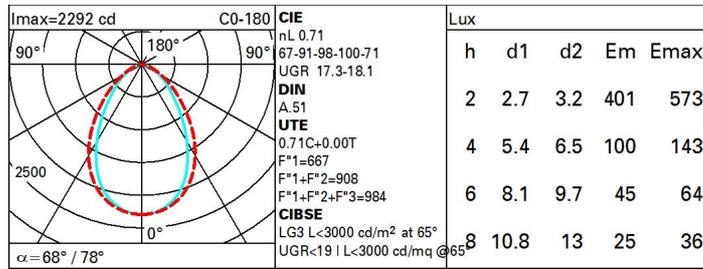

Complies with EN60598-1 and pertinent regulations
