Product configuration: R744.16

R744.16: Portonovo - Cordless table lamp - Blue

**Product code**R744.16: Portonovo - Cordless table lamp - Blue **Attention! Code no longer in production****Technical description**

Cordless and completely mobile table and bedside lamp. Integrated LED lamp - 3000K CRI90 - powered by an easy-to-recharge lithium battery. The coloured polycarbonate lighting unit contains the battery, recharging connection socket and switch - outer, clear acrylic glass bell-shaped screen - coloured ABS base and stem. Twin action touch switch: rapid touch for ON-OFF function and extended touch for adjusting light flow (from 100% to 5%). The head that can be removed from the base, has a mechanical coupling system that allows the lighting unit to be used in different ways and separately from the base and stem. Battery is recharged with a cable fitted with 2 USB plugs (included) to be used with a suitable charger or mains power supply (not included). Replacement battery available with separate item code.
