

View Opti Beam Lens cuadrado

Última actualización de la información: Mayo 2024

Configuraciones productos: Q323  
Q323: luminaria cuadrada de cuerpo pequeño - medium

**Código producto**  
Q323: luminaria cuadrada de cuerpo pequeño - medium **¡Advertencia! Código fuera de producción**

**Descripción**  
Luminaria para interiores orientable con adaptador para instalación sobre r il trif sico/DALI. Luminaria realizada en aluminio fundido a presi n y parte frontal de material termopl stico. La doble orientabilidad de la luminaria permite una rotaci n de 360  alrededor del eje vertical y una inclinaci n de 90  respecto al plano horizontal. Cuerpo  ptico con led en tono de color warm White 3000K CRI90, tecnolog a OPTIBEAM LENS y haz luminoso medium. Controlador regulable integrado en caja con sistema semiescamoteable en r il. Posibilidad de instalaci n de varios accesorios planos como, por ejemplo, OPTIBEAM REFRACTOR para variar la distribuci n luminosa, reflector para distribuci n el ptica, deflector, soft lens y un accesorio externo como puede ser la aleta asim trica capaz de evitar la dispersi n de luz par sita en el techo.

**Instalaci n**  
En r il electrificado trif sico/DALI

|                                |                  |

| Negro (04)   Blanco/Negro (47) | 1.13             |

**Montaje**  
raile dali|r il trif sico

**Equipo**  
Incluye componentes electr nicos regulables integrados en caja semiescamoteable en r il.

Se conforma con EN60598-1 y regulaciones pertinentes
