Product code
XA28: Kit for the stand alone, ceiling installation of the Linealuce 27 Full Remote via pendant cables L=1.800mm

Technical description
Kit for stand-alone installation consisting of a power cable base, a cylinder for ceiling installation, two pendant cables, two regulators, a shaped element for locking the power cable parallel to the pendant cable and two fixed coupling systems for Linealuce 27 Full Remote luminaires. The power cable base consists of an internal stainless steel part and a painted aluminium, Ø76mm diameter cover, a Ø20mm diameter brass ceiling installation cylinder, two pendant stainless steel cables with a maximum product installation height of 1,800mm, two nickel-plated brass regulators for installation cables, a cylindrical shaped aluminium element for locking the power cable parallel to the pendant cable and two stainless steel coupling systems to install in the start and end part of the product. All the parts described (apart from the regulator) are available in four finishes.

Colour	**Weight (Kg)**
White (01) | Black (04) | Grey (15) | Rust Brown (F5)	0.22

Mounting
ceiling pendant

Complies with EN60598-1 and pertinent regulations
