Accessory code

X951: Frame with a satin finish screen that can be installed on a Linealuce 27 surface Full Remote - L=329mm

Technical description

Accessory made up of two parts: an installation frame with a satin finish screen that can be installed on a Linealuce 27 surface Full Remote L= 329mm. The extruded aluminium installation frame is subjected to a multi-step, pre-treatment process, in which the main phases are degreasing, fluorozirconation (a protective surface film) and sealing (with a nano-structured silane layer). The following painting stage consists of a primer and a liquid acrylic paint, cured at 150°C, with a high level of weather and UV ray resistance. The installation frame will be available in 4 finishes. There are polycarbonate closure caps with an opening for water outflow in the final part of the frame. The satin finish screen is made of PMMA.

Colour

White (01) | Black (04) | Grey (15) | Rust Brown (F5)

Weight (Kg)

0.16

Mounting

wall arm|wall surface|ceiling surface
