Product code

XA29: Kit for the end-to-end, ceiling installation of the Linealuce 27 Full Remote via pendant cable L=1.800mm

Technical description

Kit for end-to-end installation, consisting of a cylinder for ceiling installation, a pendant cable, a regulator, a shaped element for locking the power cable parallel to the pendant cable and a fixed coupling system for two Linealuce 27 Full Remote luminaires. The Ø20mm diameter cylinder for ceiling installation is made of brass. The pendant cable is made of stainless steel with a maximum product installation height of 1,800mm. The regulator for the installation cable is in nickel-plated brass. The cylindrical shaped element for locking the power cable parallel to the pendant cable is aluminium and the coupling system to install between the two products is made of stainless steel. All the parts described (apart from the regulator) are available in four finishes.

Colour

White (01) | Black (04) | Grey (15) | Rust Brown (F5)

Weight (Kg)

0.1

Mounting

ceiling pendant

Complies with EN60598-1 and pertinent regulations
