Accessory code

MZ95: DALI Powerline driver box for Low Voltage track - 150W

Technical description

Box for 150W AC/DC driver for direct assembly on track via an integrated power supply cap. When installation is complete the bottom of the box will be attached firmly to the track. Made of extruded aluminium with thermoplastic end caps. Steel ceiling fixing plate.

Installation

For surface or pendant mounting it is fixed directly to the track.

Colour	Weight (Kg)	Dimension (mm) (*)
White (01) Black (04)	1.05	514.5x31x73.4
* The dimensions may change according to production requirements to ensure that performance levels and installation methods are observed.		

Wiring

Connection to line on integrated power supply cap; in pendant track versions use the accessory with the 5-pole cable and the steel pendant cable (item code MZ98).

Complies with EN60598-1 and pertinent regulations
